Professor E. Izevbigie
Vice Chancellor
Margaret Lawrence University
River Park Estate
Lugbe Abuja

Dear Professor Izevbigie,

I am writing to acknowledge Margaret Lawrence University as the first university in West Africa to possess Version 11 of the Anatomage Table. This most recent Model sets your institution apart as a leader in innovative medical education and training in the region.

The Anatomage Table Version 11 represents the pinnacle of virtual dissection technology, offering unparalleled 3D visualisation of human anatomy. This cutting-edge tool provides students with an interactive and immersive learning experience, enhancing their understanding of anatomical structures and clinical applications. Your university's commitment to integrating such advanced educational resources demonstrates its dedication to excellence in medical and health sciences education.

I commend Margaret Lawrence University for its forward-thinking approach to medical training and for equipping students with the best tools to succeed in their academic and professional journeys. This achievement further solidifies your institution's reputation as a trailblazer in medical education across West Africa.

We look forward to working with you in furthering the advancement of medical education in Nigeria and the region.

Best wishes,
